Charging

Fully charge your Mini Remote before use.
Your Mini Remote battery lasts 9-12 months
between charges with average use.

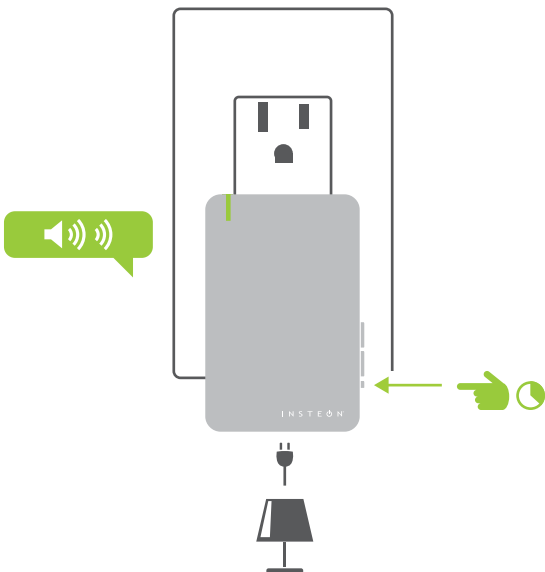

Linking

- 1 Tap the button you wish to use and then press and hold the set button until the Mini Remote beeps.

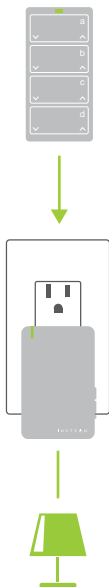

2

Make sure the device you wish to control is ON and then press and hold its set button until it double-beeps.

3

Your Mini Remote will now control your INSTEON device.
