## Charging

Fully charge your Wireless Switch before use. Your Wireless Switch battery lasts 9-12 months between charges with average use.

## Mounting

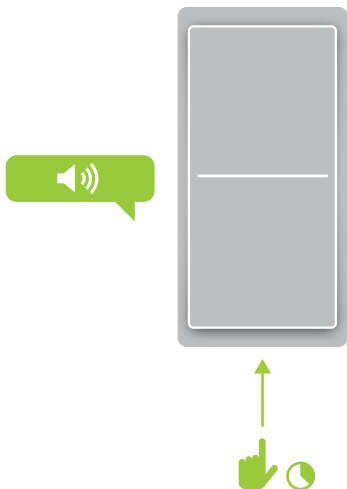

You can place your Wireless Switch in-line with existing switches using the Wall Mount Kit (Sold Separately).

Do not mount Wireless Switch **over** an open junction box.

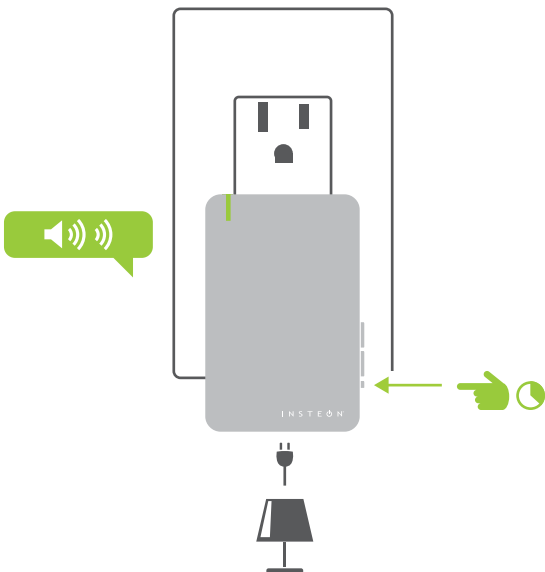

## Linking

- 1 Tap the top of the switch and then press and hold the set button until the Wireless Switch beeps.

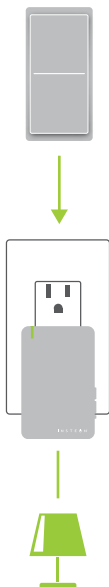

2

Make sure the device you wish to control is ON and then press and hold its set button until it double-beeps.

3

Your Wireless Switch will now control your INSTEON device.
