**INSTEON Outdoor On/Off Module**  
Quick Start Guide

# INSTEON Outdoor On/Off Module

## Installation

Plug your appliance into the bottom of the Outdoor On/Off Module and plug the On/Off Module into a weather-protected outlet.

## Leave Your Fixture On

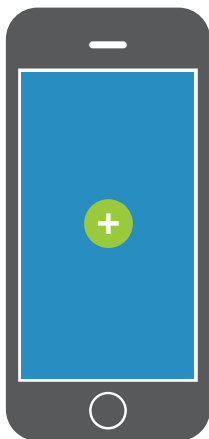

If your fixture's switch is OFF, the On/Off Module will be unable to remotely turn ON your fixture.

## Linking to the Hub

1

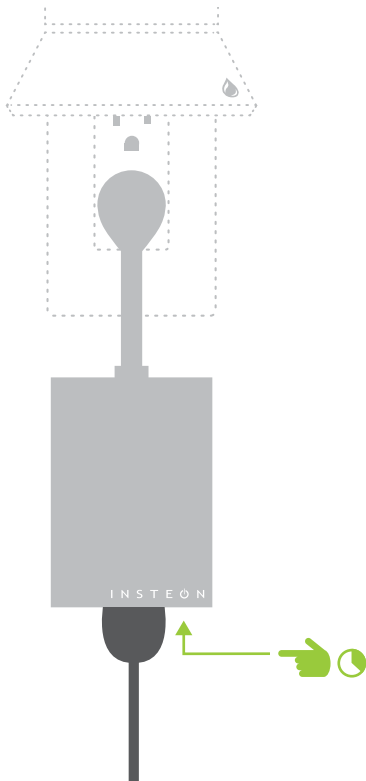

Follow the on-screen instructions to add your On/Off Module to the INSTEON Hub.

If not using the Hub, refer to the instructions that came with your product.

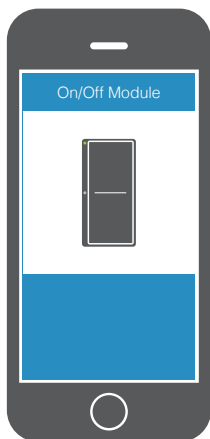

2

Make sure your connected fixture is on and when prompted, press and hold the On/Off Module's set button.

## Device Control

Turn on, off, set schedules and create scenes for your On/Off Module using the INSTEON Hub and App.
